

National Public Health Emergency Team COVID-19 Meeting 19: Friday, 3rd April 2020 from 10.00am (via video conference) AGENDA

Molecume and Introductions a New Members b Conflict of Interest c Adoption of Minutes of Previous Meeting(s) d Matters Arising		AGENDA
a) New Members b) Conflict of Interest c) Adoption of Minutes of Previous Meeting(s) d) Matters Arising 2 Epidemiological Assessment a) Update on National Data b) International Assessments c) Modelling Report 3 Expert Advisory Group 4 Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications 5 HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register 10 Risk Register Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	No.	Item
b) Conflict of Interest c) Adoption of Minutes of Previous Meeting(s) d) Matters Arising 2 Epidemiological Assessment a) Update on National Data b) International Assessments c) Modelling Report 3 Expert Advisory Group 4 Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications 5 HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings 6 Future Policy a) Homecare Considerations c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	1	Welcome and Introductions
c) Adoption of Minutes of Previous Meeting(s) d) Matters Arising Epidemiological Assessment a) Update on National Data b) International Assessments c) Modelling Report Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications SHSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register Meeting Close a) Agreed Actions b) Silde Deck for Spokespersons c) AOB		a) New Members
d) Matters Arising Epidemiological Assessment a) Update on National Data b) International Assessments c) Modelling Report Expert Advisory Group Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		b) Conflict of Interest
2 Epidemiological Assessment a) Update on National Data b) International Assessments c) Modelling Report Expert Advisory Group Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications 5 HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		c) Adoption of Minutes of Previous Meeting(s)
a) Update on National Data b) International Assessments c) Modelling Report 3 Expert Advisory Group 4 Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications 5 HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings 6 Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		d) Matters Arising
b) International Assessments c) Modelling Report Expert Advisory Group Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications SHSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	2	Epidemiological Assessment
c) Modelling Report Expert Advisory Group Review of Existing Policy a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		a) Update on National Data
Sepert Advisory Group Review of Existing Policy		b) International Assessments
## Review of Existing Policy a		c) Modelling Report
a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	3	Expert Advisory Group
a) Personal Behaviours b) Social Distancing c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	4	Review of Existing Policy
c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f Public Health advice implications 5 HSE's planned responses to the NPHET further to:		
c) Testing d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications 5 HSE's planned responses to the NPHET further to:		b) Social Distancing
d) Contact Tracing e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications KSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		· · · · · · · · · · · · · · · · · · ·
e) Enhanced procurement approach for essential products, to include PPE and supply issues f) Public Health advice implications 5		d) Contact Tracing
f) Public Health advice implications HSE's planned responses to the NPHET further to: a) Acute Hospitals settings b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register Communications Planning Meeting Close a) Agreed Actions b) Silde Deck for Spokespersons c) AOB		
a) Acute Hospitals settings b) Residential Healthcare settings 6 Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		
b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	5	HSE's planned responses to the NPHET further to:
b) Residential Healthcare settings Future Policy a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		a) Acute Hospitals settings
a) Homecare Considerations b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		
b) Travel Considerations c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	6	Future Policy
c) Ad Hoc d) Public Health measures - phasing 7 National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		a) Homecare Considerations
d) Public Health measures - phasing National Action Plan / Updates on: a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		b) Travel Considerations
7 National Action Plan / Updates on:		c) Ad Hoc
a) Vulnerable People and Community Capacity b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		d) Public Health measures - phasing
b) Hospital Preparedness c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	7	National Action Plan / Updates on:
c) Medicines and Medical Devices Criticality d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		a) Vulnerable People and Community Capacity
d) Health Sector Workforce e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		b) Hospital Preparedness
e) Guidance and Evidence Synthesis f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		c) Medicines and Medical Devices Criticality
f) Legislation g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		d) Health Sector Workforce
g) Research and Ethical Considerations h) Behavioural Change 8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		e) Guidance and Evidence Synthesis
h) Behavioural Change Covid-19 Mobile Phone Application (App) Project Consideration of other societal issues/consequences and possible measures - Implications of existing policy Risk Register Communications Planning Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		f) Legislation
8 Covid-19 Mobile Phone Application (App) Project 9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close		g) Research and Ethical Considerations
9 Consideration of other societal issues/consequences and possible measures - Implications of existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close		h) Behavioural Change
existing policy 10 Risk Register 11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	8	Covid-19 Mobile Phone Application (App) Project
10 Risk Register 11 Communications Planning 12 Meeting Close	9	Consideration of other societal issues/consequences and possible measures - Implications of
11 Communications Planning 12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB		existing policy
12 Meeting Close a) Agreed Actions b) Slide Deck for Spokespersons c) AOB	10	Risk Register
a) Agreed Actionsb) Slide Deck for Spokespersonsc) AOB	11	Communications Planning
b) Slide Deck for Spokespersonsc) AOB	12	Meeting Close
c) AOB		a) Agreed Actions
,		b) Slide Deck for Spokespersons
d) Updated schedule of meetings (twice each week)		c) AOB
		d) Updated schedule of meetings (twice each week)
e) Date of Next Meeting		e) Date of Next Meeting
