1 Introduction

This document supersedes Version 4.6 previously published on the NAMA Website.

This document outlines NAMA’s requirements in respect of sales by a Debtor or Insolvency Office Holder, of controlled Real Estate Assets that are subject to NAMA security or are included in an agreed disposal to repay outstanding debt to NAMA.

The timing of Real Estate Asset disposals will be agreed by Debtors or Insolvency Office Holders with NAMA. The objective is to obtain the best price reasonably obtainable for the Real Estate Asset in the marketplace at the time of sale, in the context of a phased and orderly disposal (subject always to an Insolvency Office Holder’s statutory obligations in that regard).

A key principle is that disposals should be conducted on a competitive basis and in accordance with prevailing market norms.

2 Policy Basis

NAMA has statutory powers, including those set out in S12 of the NAMA Act to manage loans and assets in a way that best serves it purposes as defined in S10 of the NAMA Act. NAMA will act at all times to obtain the best achievable financial return for the State commensurate with its policies, codes and guidance notes.

NAMA may be subject to guidelines and directions from the Minister as set out in S13 and S14 of the NAMA Act.

A copy of the S172/Excluded Person Confirmation (see Appendix 2) or Purchasers Warranty (see Appendix 3) should be furnished to NAMA by the sales Agent.

A summary of the key policy considerations are outlined below.

2.1 Open Marketing

All Real Estate Assets must be openly marketed for sale and there are to be no exceptions to this rule in normal circumstances. Possible exceptions, which are subject to approval by CEO of NAMA, can be made in certain limited and specific circumstances – see Section 4.1.1 below for details.

2.2 Section 172 Policy

NAMA has adopted a policy of obtaining (written) assurance that the purchaser of a Real Estate Asset is not connected with the relevant Debtor. For these purposes ‘connected’ refers to those parties in respect of which the provisions of S172 (3) of the NAMA Act would apply.
2.3 Excluded Persons

NAMA obtains written confirmation from the purchaser that neither the purchaser, nor any person with a beneficial interest in the transaction, is an Excluded Person (as defined in Section 4.3 below).

3 Overall Objective / Purpose

The disposal of Real Estate Assets by Debtors and, in some cases, appointed Insolvency Office Holders, is likely to be the main source of repayment of a Debtor’s outstanding indebtedness to NAMA. The conduct of these disposals should be done on a competitive basis and in accordance with prevailing market norms for the asset class and jurisdiction having regard to NAMA’s objectives set out in S10 of the NAMA Act.

4 Disposal Process

The following procedure is applicable to all Real Estate Asset disposals:

4.1 Open Marketing

As a general rule, all Real Estate Assets must be openly marketed for sale to ensure current market value is obtained\(^1\).

4.1.1 Exceptions to Open Marketing

Subject to Section 4.2 below, the sale of a Real Estate Asset may be concluded without open marketing in the following circumstances:

(a) Where specific written advice (either legal or professional) has been obtained by NAMA in relation to the disposal of the Real Estate Asset recommending that open marketing should not be pursued for commercial or legal reasons giving rise to material risks. Such Real Estate Assets will be offered at the appraised market value, confirmed by way of independent valuation report received by NAMA;

(b) Where a government entity or State/Semi-State body has approached NAMA, or any of its subsidiaries, to purchase a Real Estate Asset for legitimate reasons in the public interest\(^2\);

---

\(^1\) NAMA Board have approved certain scenarios are deemed out of scope for the purpose of this policy requirement. Reference should be made to NAMA where there is any doubt as to whether open marketing is required.

\(^2\) Per existing NAMA Board policy, NAMA will engage proactively with Government Departments, local authorities, State Agencies and other appropriate bodies and entities in relation to their possible need for land/properties in the public interest (e.g. social housing, schools, water and other infrastructure, health centres, hospitals, community and amenity facilities, cemeteries, warehouse space). Such assets will be offered at the appraised market value, confirmed by way of independent valuation, to such bodies for four weeks prior to open market offering. Any agreed sales to such entities will be subject to contract where such
(c) Where the Real Estate Asset is the subject of a compulsory purchase order (CPO) by a State Body or Local Authority. The Debtor should be professionally advised with the adviser entering into a duty of care arrangement with NAMA;

(d) In instances where NAMA via NARPS is acquiring assets for Social Housing from NAMA Debtors or Insolvency Office Holders, noting that an independent market valuation report must exist.

Where any exceptions are proposed for legal or commercial reasons, prior approval of the CEO and Head of Asset Recovery/Head of Asset Management/Head of Residential Delivery of NAMA must be obtained and the market value must be confirmed by way of independent valuation.

4.2 Section 172

All Real Estate Asset sales by NAMA must comply with S172 (3) of the NAMA Act which provides as follows:

“A person who is the debtor in relation to an acquired bank asset, who is a person referred to in any of subparagraphs (i), (ii), (iii), (v) or (vi) of section 70(1)(b) or who is a person on whose behalf the debtor or the person referred to in one of those subparagraphs acts as a nominee or trustee in relation to an acquired bank asset shall not, if any of those persons is in default in relation to any acquired bank asset, acquire from NAMA or a NAMA group entity, any legal or beneficial interest in property comprised in the security forming part of any acquired bank asset in relation to which the default has occurred."

In essence, where there is a default by any of the above persons in respect of any acquired bank asset, none of the persons can acquire an interest from NAMA in any property securing a bank asset in respect of which the default has occurred.

NAMA has adopted a policy of obtaining (written) assurance from a purchaser of Real Estate Assets (where the vendor is either a Debtor or IP) that the purchaser is not “connected” with the relevant Debtor in the manner set out in S172 (3) of the NAMA Act.

Sale by Debtor:

- All sales of Real Estate Assets (by Debtors) must be supported by a Purchaser’s Confirmation in the format at Appendix 1.

- The Sales Agent appointed by the Debtor to market the Real Estate Asset should obtain a Confirmation from the Purchaser in the required form prior to entering into a binding contract for sale.

contract must be negotiated and agreed within a four week period from the date the entity expressed an interest in purchasing the asset. The closing date in the contract for sale should be no more than 90 days from the date of the contract.

3 NAMA will not direct any insolvency professional. The discretion to sell any asset to NAMA or not is solely a decision for them.

Date of Approval: 22/06/2017
• The Sales Agent is also required to confirm to NAMA, the Participating Institution or the Service Provider that all sales are in compliance with this NAMA Policy, as per the format specified in Section 4.4 of the Policy.

Sale by Insolvency Office Holder (IP):

• All Real Estate Asset sales contracted by Insolvency Office Holders (IPs) must include the Purchaser’s Warranty in the format at Appendix 2.

• The IP is also required to confirm to NAMA, the Participating Institution or the Service Provider that all sales are in compliance with this NAMA Policy, as per the format specified in Section 4.4 of the Policy.

If it is determined by the Participating Institution/IP/Service Provider, having made due enquiries and taken legal advice, that a sale to a “connected party” should proceed notwithstanding this policy, the matter should be referred to NAMA for prior approval of the sale.

4.3 Excluded Persons

NAMA Board Policy requires the appointed Sales Agent or IP to also obtain separate written confirmation from the purchaser that neither the purchaser, nor any person with a beneficial interest in the transaction, is an Excluded Person.

The form of confirmation to be obtained from each purchaser is below and is included in the declaration templates attached at Appendix 1 and Appendix 2.

“[The Purchaser] further confirms that neither the Purchaser nor any person with a beneficial interest in the sale is an Excluded Person....”

Where the Purchaser is not in a position to provide such confirmation/warranty, this should be brought to the immediate attention of NAMA (by the Debtors/IPs Sales Agent).

An Excluded Person is defined as:

1. Any person employed by NTMA who is assigned to NAMA (i.e. under S42 of the Act)

2. Any person working in a Participating Institution or Master, Primary or Special Service Provider to NAMA who:
a. either works, or has worked in the past 12 months, in the designated “NAMA Unit” of the Participating Institution or Master, Primary or Special Service Provider; or

b. has access to/knowledge of NAMA sensitive information* (as outlined below) or had such access/knowledge in the last 12 months.

* Sensitive information is defined as any of the following:

- information which would provide an unfair advantage over other potential purchasers where such information was obtained as a result of working in a Participating Institution or Master, Primary or Special Service Provider (See 2. above), or

- information which could result in a conflict of interest, whereby professional judgement or actions regarding the transaction is unduly influenced by a personal/secondary interest in the transaction, or

- privileged or proprietary information which, if disclosed, may affect the price of an asset, or a reasonable purchaser/investor would want to know before investing in an asset.

In the case of Debtor sales, this confirmation may be included within the S172 Purchaser’s Confirmation being provided by the purchaser, in the format at Appendix 1.

In the case of IP/analogue office holder sale, this confirmation may be included in the Purchaser’s Warranty, in the format at Appendix 2.

4.4 Sales Agents – Appointment, Role and Reporting

4.4.1 Appointment of Sales Agent

Generally, it is expected that Agents will be appointed following an informed arm’s length selection process, the Agent will be expected to enter into a duty of care agreement with an obligation to NAMA, including acknowledging NAMA’s statutory requirements in general and NAMA’s S172 (3) policy in particular. Sale instruction and contracts with Agents require NAMA prior approval.

- At the outset the Agent should disclose to NAMA any commercial relationship with the Debtor in the last five years.

- An appointed Agent should have no interest in the Real Estate Asset under sale.

- The appointed Agent should have a suitable level of professional indemnity insurance having regard to the size and nature of the Real Estate Asset. (Any queries on professional indemnity cover should be directed to NAMA.)
• The Agent should not be entitled to delegate his instruction to a sub-Agent.

• Contracts with Agents handling Asset disposals should not exceed an initial 12 months and must be capable of being terminated at any time by notice in writing stating the reasons for such termination.

• In limited circumstances where it is approved that the Debtor retains an “in house” sales team the Debtor shall be deemed to be the Agent for the purposes of Section 4.4 (and all sub-clauses) and shall report accordingly.

4.4.2 Role of Sales Agent

• All disposals are to be conducted in a demonstrably impartial and professional manner.

• During the sales process, the appointed Agent will be expected to report to NAMA and the Debtor/Insolvency Practitioner at a frequency agreed with the NAMA case manager.
