Public Opinion Tracking Research: 08/03/21
ABOUT THE RESEARCH

The research findings in this report are based on surveys by Amárach Research on behalf of the Department of Health.

The polls are conducted and reported on the same day using Amárach’s SmartPoll panel and weighted to the demographics of the 18+ adult population.

Sample size (08/03/21): n=2,000
Behavioural Change
