COVID-19 Vaccine Concerns – II
For what reasons would you be unlikely to have a vaccine for the coronavirus (COVID-19) if it was offered to you?

I do not feel the coronavirus (COVID-19) is a personal risk
I do not think it will work
I am worried the vaccine will give me the coronavirus (COVID-19)
I am worried it might be painful
I am against vaccines in general
I am pregnant and afraid of the effects on my baby
I do not think I need the vaccine as I have already had the coronavirus (COVID-19) although I did not have a positive test
I do not think I need the vaccine as I have already tested positive for the coronavirus (COVID-19)
Other
