-

- Ventilators:
 - Pending fulfilment of orders, ventilator target would be reached over the next seven days
- Syringe drivers:
 - HSE continue to reduce gap in surge capacity to meet target numbers.
 - All ICUs remain fully serviced. Additional supplies sought amount to surge contingency, rather than immediate need.
- CRRT:
 - No areas of critical concern to CRRT at this time
 - HSE are currently working with suppliers to source additional fluid stocks as well as supply of additional machines.
 - HSE are recruiting to fill a pharmacist position to resource dialysis services.
- PPE:
 - Gloves:
 - HSE have orders in place up to 2021 and suppliers have not indicated any concerns as regards the fulfilment of these orders. To remain under review by HSE for any changes in this assessment.
- Testing:
 - Delivery of swabs are due to arrive next week with a further sizable volume ordered from the same supplier
 - Swabs from a second supplier are under review
- Minutes of earlier meetings to be published next week
