Please phone the doctor first for medical advice if you have:

- **fever** (high temperature – 38 degrees Celsius or above)
- cough
- shortness of breath
- loss or change to sense of smell or taste

This helps to protect other people visiting this surgery today.

PHONE US FIRST

TEL:

- Wear a face covering inside the GP surgery
- Wash your hands well and often to avoid contamination
- Cover your mouth and nose with a tissue or sleeve when coughing or sneezing and bin used tissue
- Avoid touching eyes, nose or mouth with unwashed hands
- Clean and disinfect frequently touched objects and surfaces

Stay safe. 
Protect each other.
